The Local Governing Body (LGB) shall be a committee established pursuant to Articles 100 to 104 (inclusive) of the [Articles of Association of the Trust](#).

2. Vision and Values

Our Vision – ‘Achievement through caring’

The Marches Academy Trust is a vibrant learning community, comprising of a very supportive parent body, caring and forward-looking staff, energetic and thoughtful students, a proactive governing body and an ever-developing cross section of community partners. Children and young people (CYP) are placed firmly at the centre of all we do: we pride ourselves on offering a wealth of opportunities, allowing all in the learning community to experience success in many different ways, and at a variety of levels. Our challenge therefore is to constantly seek out new ways to innovate from within the classroom and outside it, as we believe firmly in the need to keep moving forward, so that our young people have the best possible experiences and life opportunities.

Marches Academy Trust Learning Mission Statement

As a Trust, it’s our mission to empower everyone in our Trust and our communities to live and breathe our values and Achievement Through Caring, to reach their full potential.

3. The Trust's strategic priorities

Strategic Priorities

2025-2026

People First

All staff actively contribute to and live our People First strategy

Anytime, Anywhere Learning

Adaptive teaching and learning is embedded and underpinned by literacy in all schools to achieve outcomes that reach at least national standards.

Belonging

Where everyone is seen, heard and understood in a culture enabling growth.

Working Today to Protect Tomorrow

An innovative Trust providing greater opportunities for our stakeholders.

4. The Trust's partnership with the Diocese

The Trust has a strong partnership with the Diocese of Lichfield Education Trust Ltd. Where a school is designated with a religious character, in relation to their ethos and religious education, the Trust and the Board of Trustees shall have regard to any advice and follow any directives from the Diocese of Lichfield Education Trust Ltd, and will have due regard to the Diocesan Strategy.

Church of England schools within the Trust are also conducted in accordance with the principles, practices and tenets of the Church of England both generally and in particular in relation to arranging for religious education and daily acts of worship.

5. Our Church of England schools terms of reference

Each Church of England School within the Trust has a theologically rooted Christian vision and values which reflect the context of the school. This vision aims to enable pupils and adults to flourish. Our Diocesan schools seek to:

- Effectively establish and promote the Christian vision by leadership at all levels.
- Deliver a curriculum that reflects and fully integrates the schools theologically rooted Christian vision.
- Provide engaging collective worship that enables all to develop spirituality.
- Effectively embed EDIB.
- Develop the school's ethos through its Christian vision and the specific needs of the school community.
- Ensure a culture of justice, responsibility and accountability that is understood by all people in the school community.
- Provide an effective RE curriculum (with reference to the expectations set out in the Church of England statement of entitlement for RE)
- Develop a clear overview of the context of the school detailing how the Christian vision and values link to the school and Trust vision and values.
- Ensure the Trust is clear about the impact that Christian values have on the school and its people.
- Ensure all stakeholders have a clear understanding of the impact of the vision and values in enabling all to flourish.
- Work with the Trust to keep improving the school with appropriate and effective governance.

6. Governance Structure and Lines of Accountability

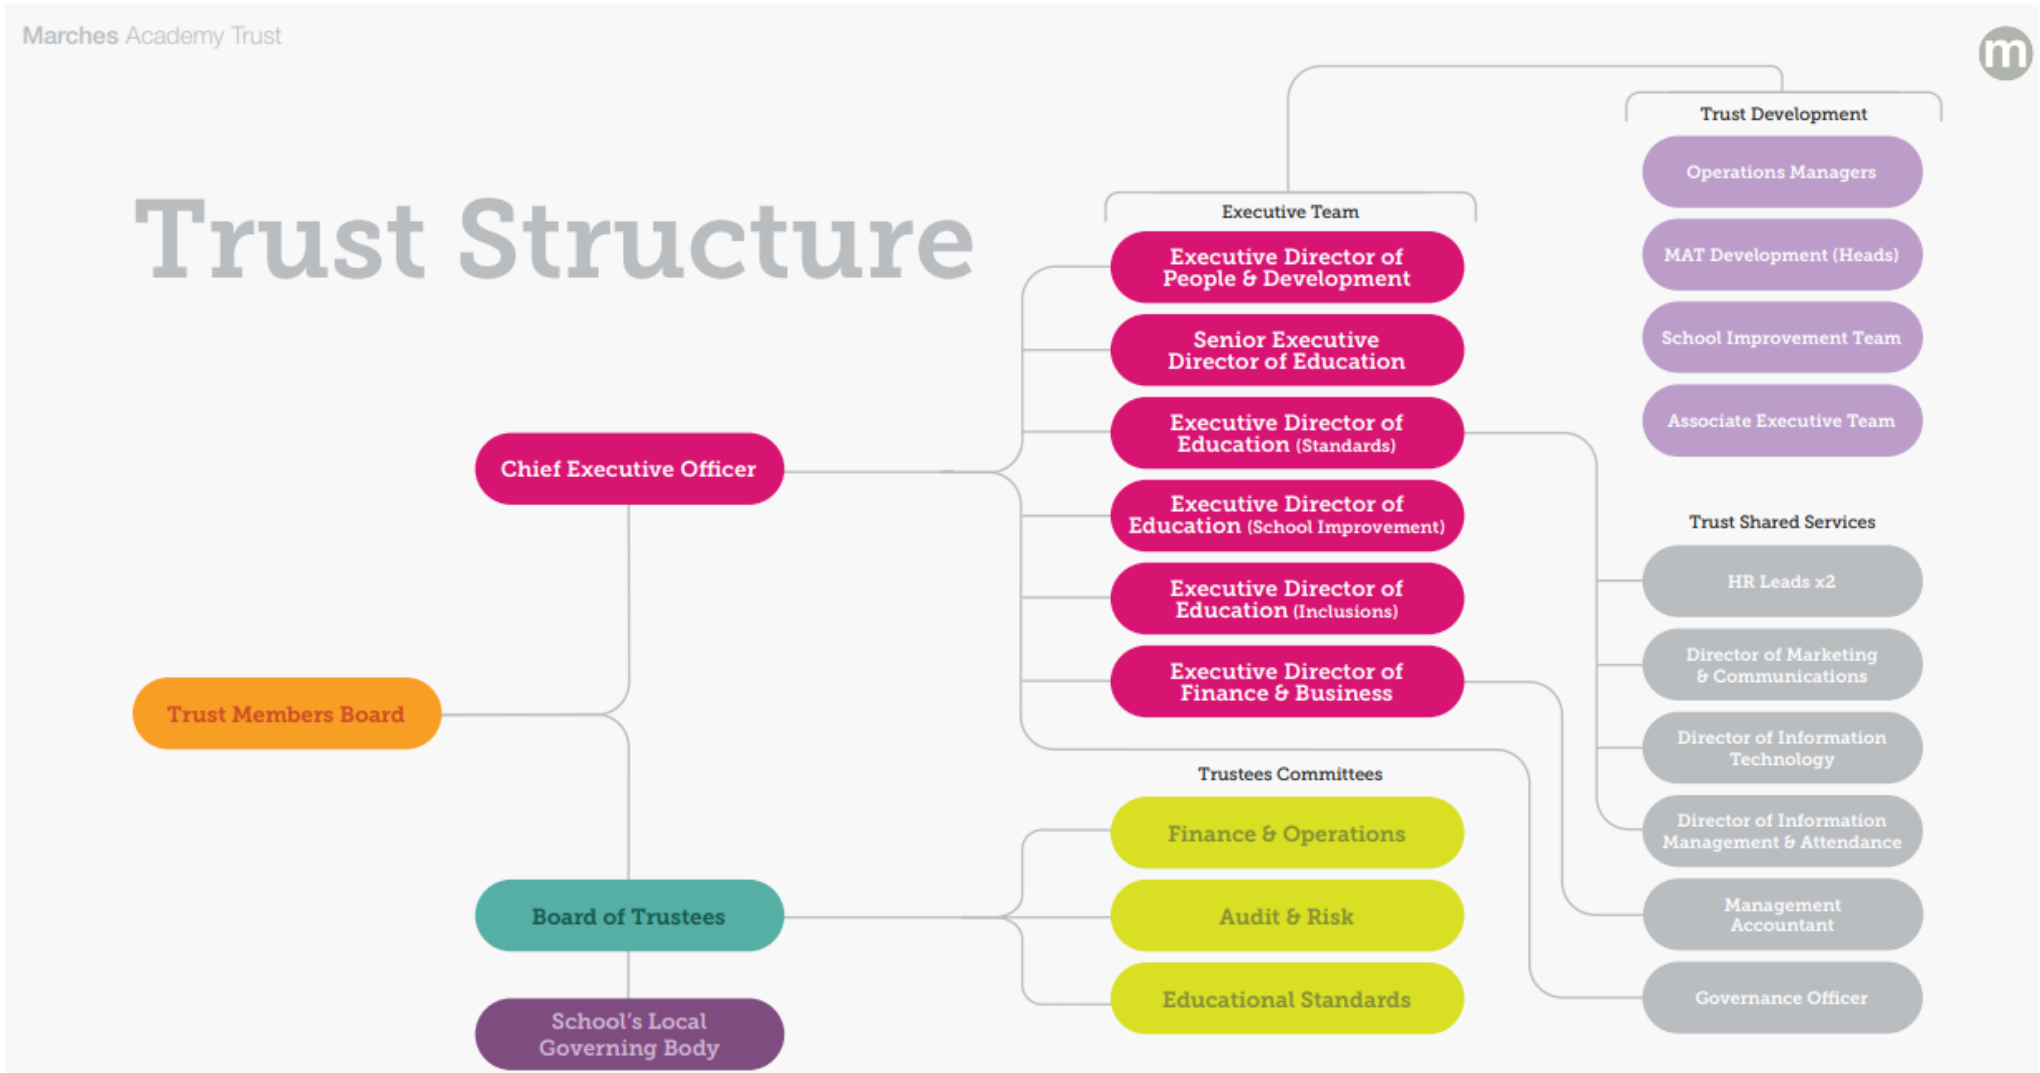

Good governance is at the heart of delivering educational excellence and a clearly defined structure, where all parties understand their roles and responsibilities, is essential to providing the best education for our CYP. The Trust is a charitable company limited by guarantee (not for profit) and is required by law to operate to all statutory regulations and rules within its Articles of Association which are registered at Companies House. The Trust has a three-tier management system. The Members of the Trust are similar to the 'shareholders' in a company and are responsible for strategic oversight, whilst the Trustees are appointed to challenge and scrutinise the strategic direction and day-to-day running of the Trust.

The Board of Trustees of the Marches Academy Trust delegates responsibility for delivery of the vision and strategy to the lead professional of the MAT, the Chief Executive Officer (CEO). Board of Trustees Committees, including the Local Governing Bodies, also deliver elements of the Trust vision and strategy as outlined in their respective terms of reference. The Board of Trustees hold the CEO to account for the performance of the Trust, including the performance of the schools within the Trust. This means that as the CEO is accountable to the Board for the performance of the Trust as a whole. The CEO will report to the Board on the performance of the Trust, including on the performance of the Trust's schools.

The CEO is performance managed by the Chair of the Board of Trustees. The CEO performance manages the Executive Leaders (Executive Directors of Education, Executive Director of People and Development and Executive Directors of Finance and Business). The CEO, Executive Director of Education and Associate Executive Directors of Education line manage individual school Headteachers/ Head of School*. At school level there are Local Governing Bodies (LGB), who understand how the school is led and managed, act as the eyes and ears of the school and its community and have a role in influencing decision making. They have a direct communication link to the Trust Board via their Chair and the CEO, in case concerns need to be raised, and to ensure understanding and commonality of purpose.

*Headteacher/ Head of School is used to describe the person who holds the most senior position in the school.

7. Marches Academy Trust Governance Model

8. Descriptions of Roles

8.1 The Role of Members

Academy Trusts are founded by Members who have a general duty to exercise their powers. Members play a limited but crucial role in safeguarding academy trust governance. While they must ensure they do not stray into undertaking the Academy Trustees' role, they ensure the governance of the Trust is effective, that Academy Trustees are acting in accordance with the Trust's charitable object(s) and that they, the Members, use their powers to step in if governance is failing.

There must always be a minimum of three Members including the Diocese of Lichfield and two persons appointed by them. The Articles of Association (a document which outlines the governance structure and how the Trust will operate) describe how Members are recruited and replaced, and how many Trustees the Members can appoint to the Board of Trustees. The Members appoint Trustees to ensure that the Trust's charitable objective is carried out and have the authority to remove Trustees if they fail to fulfil this responsibility. Accordingly, the Board of Trustees submits an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's Articles of Association.

Whilst Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Board of Trustees, and in line with Department for Education expectations, not all Members are Trustees.

Members can, by special resolution, direct Academy Trustees to take a specific action where Academy Trustees are unable or unwilling to act in the best interests of the Academy Trust. Members should consider using this power if they believe the Trust Board is failing to carry out its core functions or is acting unlawfully. Other examples of when members might consider issuing a direction to Academy Trustees include where they believe an external review of governance should be carried out and the Academy Trustees have not done so, where the board has failed to act on child safeguarding, and where the Trust is in breach of its funding agreement.

Members can amend the articles of association (including the objects clause), subject to any restrictions in the articles, the funding agreement or charity and company law.

8.2 The Role of Trustees

The Trustees are the Charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust, in accordance with the provisions set out in the Memorandum and Articles of Association.

The Board of Trustees is the decision-making body of the Trust and is accountable and responsible for all the academies in the Trust.

The Board of Trustees is the accountable body for the performance of all schools within the Trust and as such must:

- Ensure clarity of vision, ethos, and strategic direction.
- Hold Executive Leaders to account for the educational performance of the organisation and its children and young people (CYP), and the effective and efficient performance management of staff;
- Oversee the financial performance of the Trust and make sure its money is well spent; and
- Oversee the Health and Safety of all children and young people, staff, and visitors; and ensuring safeguarding for all children and young people.

The Board of Trustees is permitted to exercise all the powers of the Marches Academy Trust. The Board of Trustees will delegate to the CEO responsibility for the day-to-day operations of the Trust. The Board of Trustees can determine whether to delegate any governance functions.

The Trust has the right to review and adapt its governance structure at any time, which includes delegation.

8.3 The Role of Committees

The Trustees may establish committees, either with delegated authority to make decisions, or for the purpose of providing advice and support, informing the overall work of the Board of Trustees. However, these committees are not legally responsible or accountable for statutory functions; the Board of Trustees retains overall accountability and responsibility. The Board of Trustees will appoint all committee members and committee chairs.

8.4 The Role of the Chief Executive Officer (CEO)

The CEO has the delegated responsibility for the operation of the Trust, including the performance of the Trust's schools. The CEO manages the performance of the Executive Leaders. The Trustees, with the involvement and consent of the Diocesan Corporate Member and the consent of the Diocese of Lichfield, shall appoint the Chief Executive Officer.

The CEO is the Accounting Officer, so has overall responsibility for the operation of the Trust's financial responsibilities, and must ensure that the organisation is run with financial effectiveness and stability; avoiding waste and securing value for money.

The CEO leads the management team of the Trust. The CEO will delegate management functions to the Executive Leaders and is accountable to the Board of Trustees for the performance of the Executive Leaders.

School Headteachers/Heads of School are responsible for the day-to-day management of the school and are accountable to the CEO, Executive Director of Education and Associate Executive Directors of Education.

Heads of Services such as HR, Finance and Marketing & PR are responsible for the day-to-day management of their service and are accountable to the CEO and Director of Alliance of Leading Learning.

8.5 The Role of the Local Governing Body

The Board of Trustees will establish a Local Governing Body (LGB) in each school and will appoint the Chair and approve Community Governors. A minimum of two parents will be elected to the body. Terms of Reference for the LGB can be found in section 9.3.2.

8.5.1 Appointment and Removal of Governors

Governors are appointed for a period of 4 years and may be removed by resignation, or by Trustees, if their presence or conduct is deemed by the Board of Trustees, at their sole discretion, not to be in the best interest of the Trust or the individual school. LGB's will interview new Governor applicants and vote to recommend their approval to the Board of Trustees. In line with the Trust's Articles of Association, Trustees formally approve all new Governor applications.

The Trust encourages Governors from a wide range of backgrounds, cultures, and perspectives, that better reflect the communities they serve.

9. Trust Central Functions

The Trust, as a group of schools, are able to share some services where efficiencies can be made by working together. A contribution towards the cost of the services is levied on all schools, at 5% of the General Annual Grant funding each year. In addition, where there is a need for a school to gain additional specific support from another school within the group, there may need to be separate additional charges made between schools (e.g. secondments of staff).

The services currently provided for under the Shared Services function include:

- Executive Leadership – Oversight of all schools in the Trust, providing strategic leadership to the Trust and line management of Headteachers/Heads of School and shared services staff.
- School Improvement – Production of agreed protocols for the collection of data, providing advice and guidance to Headteachers/Heads of School to improve educational outcomes in their school.
- Finance & Operations – Production of statutory accounts and DfE financial returns, production of management accounts, budgets and forecasts for Headteachers/Heads of School and Board of Trustees, finance systems, policies, and procedures. Management of capital funds, development of Estates strategy and ensuring compliance with Health & Safety and Data protection regulations and compliance with payroll.
- Human Resources – Advertising and management of recruitment processes, provision of specialist HR advice, writing of contracts, ensuring compliance with payroll, pensions regulations and employment law.
- Marketing – Development of marketing resources and management of public relations, maintaining school and Trust websites and development of school prospectuses.
- Insurance – Negotiation and management of insurance contracts.
- Clerking and Governance – Trust wide provision of governance services, ensuring strategic link between Trustees and Governors.

As the Trust develops, it may be possible to provide a greater number of services to schools in the group thus reducing the need to buy in services.

10. Trust Financial Framework

- Financial delegation is based on expenditure based on the approved annual budget. Any out of budget expenditure, regardless of amount, must be escalated to the Executive Director of Finance and Business for approval.
- Adherence to these limits is the responsibility of the signatory/ies and attempts to avoid the application of a particular threshold may result in disciplinary proceedings. Expenditure rules must not be circumnavigated deliberately or unintentionally in any other way e.g. through split invoicing, splitting contracts, etc. which may exceed an individual's limits.
- All approvals must be made in line with MAT's procurement guidelines and the EFA Handbook. Budget approval DOES NOT override MAT's procurement regulations.
- No authority is delegated where the normal delegated authority has a pecuniary or other interest, as determined through their Register of Interest declarations, or where the decision would mean the school or Trust would fail to stay within its budget. An approved budget is one approved by the MAT Board, except where virements or budget variances have been agreed by the Executive Director of Finance and Business.
- There may be occasions where the Chair of the Board of Trustees may be required to take a decision on behalf of the school where a time imperative precludes awaiting the next Board of Trustees meeting. In these cases, the Chair of the Board will consult with the CEO and Chair of the Finance Committee, and any action taken will be reported at the next Board of Trustees meeting.
- The role of the Local Governing Body ensures value for money is being achieved from school budgets but does not include formal financial accountability. This is delegated to the Executive Director of Finance and Business.

11. Scheme of Delegation Matrix

The following matrix, with columns for each layer of governance, aims to enable stakeholders to quickly determine who has the power to take which decision within the Trust.
